Praying together for a National Spiritual Awakening

americaPRAYS

We engage churches to cover their cities and states in 24/7 prayer by adopting a monthly day of prayer. The goal is for every church to develop a culture and rhythm of prayer that leads to mission and transformation of society. When we unite to pray for our cities, two things happen: God hears from heaven and responds in incredible ways. Secondly, God gives us His heart for our city and moves us to be His answer to its problems.

PRAY

Lord, help me to set aside my old self and to put on the new self that You are creating in me to be like You in true righteousness and holiness. I ask for a new attitude in all areas of my life (Ephesians 4:22-24).

PRAY

As we begin a New Year, let us seek to see with new eyes and pray with new fervor for the many around us who desperately need Jesus' healing touch to be freed from their mental, physical, and spiritual suffering (Mark 5:34).

PRAY

Remind me that only You can continue to transform me through Your Holy Spirit by renovating and renewing my mind and thereby revitalizing me with spiritual strength (Romans 12:2).

PRAY

We lift up those with stony hearts whose mental and emotional turmoil wreak havoc in families. Lord, please give them a new heart; may they be transformed by Your Holy Spirit's power (Ezekiel 36:26).

PRAISE

Search my heart, Lord. Even though my ways seem innocent to me, reveal my true motives and the hidden things that are offensive to You. Lead me in Your ways instead (Proverbs 16:2, Psalm 139:23, 24).

PRAISE

Lord, we ask for discernment in our praying as we target specific strongholds and pretensions that resist Your power in the minds of unbelievers (2 Corinthians 10:3-5).

"We believe that little keys open big doors. We want to take this little key called "prayer," and put it in God's hand. As we do that, we can see God open a BIG door of awakening and revival in our nation."

PRAY FOR NEW UNITY AMONG CHRISTIANS

Pray for unity in the church.

PRAY FOR A RESET FOR AMERICAN FAMILIES IN 2025

Pray for the family.

PRAY

Father God, as we submit to Your redemptive restoration in us and begin to live with new self-perception, help us to see ourselves becoming more like our Creator. May we focus less on our differences and more on Christ, who is all and in all (Colossians 3:9-11).

PRAY

As 2025 begins, we ask that you would turn the hearts of the fathers and mothers to their children and the hearts of children to their parents. (Mal. 4:5-6).

PRAY

Lord, we seek to live in peace with everyone and to live a holy life, for those who are not holy will not see the Lord. Help us to look after each other so that none of us fails to receive God's grace and to guard against bitterness that can corrupt many (Hebrews 12:14, 15).

PRAY

Lord, we pray that adult children would forgive their parents for the mistakes and sins they've committed against them. Soften their hearts so they can let go of the hurt and unforgiveness.

PRAY

In our desire for unity, may we become more mature in Christ so that we will not be tossed about by various teachings and deceitful schemes. Instead, help us to speak Your truth in love (Ephesians 4:13-15).

PRAY

Lord, we ask that as forgiveness sets in, the American family would experience a transformation in every aspect of life. We pray for a new revelation of love within families to take place in 2025. Parents giving themselves to their children and children serving and loving their parents without resentment.

PRAY

Father, we ask that the rates of divorce would fall dramatically in 2025. We pray that more and more kids would have the blessing of living with both father and mother in a loving home. We pray for single-parent households, too. We ask that you surround them with all the love they need to be healthy and strong.

PRAY FOR A HEART OF NEW BEGINNINGS

Pray for racial reconciliation

PRAY FOR LIFE TO BE VALUED & PROTECTED

Pray for life to be valued and protected.

Lord, as we step into a new year, give us the courage to let go of old hurts and the strength to begin again. Teach us to reach across the lines that divide us and build relationships that reflect Your love.

Lord, we ask that all tax funding of abortion in the United States would cease. As that funding ceases, we continue to ask that you would turn the hearts of parents to their unborn children and that abortion rates would drastically decline in 2025.

God, help us speak words that heal and unite. Let this be a season where we listen with understanding, speak with kindness, and honor each other's stories as we work for true connection.

Lord, we pray that the Mexico City policy would be reinstated now so that the United States government cannot pay for abortions outside of the country's borders. We pray for every life to be preserved.

Holy Spirit, transform the way we think about race and identity. Remove stereotypes and biases that cloud our hearts, and help us see one another as You see us—fearfully and wonderfully made.

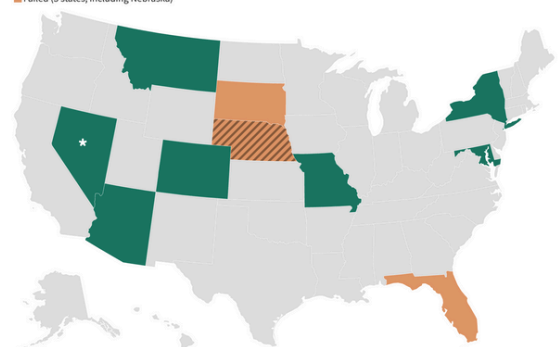

Lord, we pray for the seven states that voted against pro-life measures in the November election. We pray that hearts and minds in those states will be transformed in the next four years and that soon, those laws will be reverted to protect children in the womb.

Lord, give us the perseverance to work for racial healing even when it feels uncomfortable or slow. Remind us that every step we take in love brings us closer to Your heart for unity.

Outcome of Abortion-Related State Constitutional Amendment Measures as of November 6, 2024

Protect Abortion Rights (10 states) Curtail Abortion Rights (1 state)
 Passed (7 states) Passed (1 state, Nebraska)
 Failed (3 states, including Nebraska)

PRAY FOR LEADERS TO LEAD WELL IN THIS NEW SEASON

Pray for Local and National Government Leaders

Lord, as this new year begins, we ask You to give our leaders clarity in their decisions. Help them focus on what truly matters and lead in ways that bring peace and prosperity to all.

Father, bring a spirit of unity among our leaders at every level. Help them work together despite differences, seeking solutions that benefit everyone and reflect Your desire for peace.

God, let this be a season of integrity in leadership. Guide our leaders to make honest decisions that honor You and serve the best interests of those they represent.

Lord, as new leaders step into their roles and outgoing leaders move on, we pray for a smooth and peaceful transition. Help those leaving to do so with grace and those entering to lead with humility and wisdom. Give everyone involved respect for one another and a focus on what's best for the people they serve.

PRAY FOR AN END TO THE WAR BETWEEN ISRAEL AND HAMAS

Pray for the peace of Jerusalem and all Israel.

Lord, we ask that the conversations about a cease-fire would result in the end of this conflict. We ask for the peace of Jerusalem, Israel, Lebanon, Palestinian territories, and Syria.

Lord, make a way for food and medicine to reach Palestinians in Gaza and beyond who are experiencing hunger and sickness due to this conflict. Soften Israeli and Palestinian authorities to do what is best for people.

Father, we continue to pray for a spiritual awakening in Israel and the surrounding region, that hearts would turn to Jesus in faith, hope, and transformation amidst the darkness.

Pray for the peace of Jerusalem!
“May they be secure who love you!
Peace be within your walls
and security within your towers!”
