

TOGETHER ADVANCE THE GOSPEL

Impact 2024

The “Fullness of Time”

is often seen as the moment when everything aligns according to God's perfect timing and purpose, a season when all the preparation, prayers, and efforts converge with undeniable clarity and power. A time when what once seemed uncertain, delayed, or impossible is suddenly clear and made real. This is how I would describe the times we are experiencing even now, as the Church begins to encounter new levels of breakthrough.

This year has not come without its own share of challenges, but each one has caused us to joyfully praise God for the new ground it has carried us toward. The faithfulness of God provides for every need, and how humbling and inspiring it is to discover that this provision often comes through the family of God. It is through this provision that we are empowered to boldly step into the new era that God is calling His people into.

Our work at Together continues to be centered on Jesus' prayer for unity in the Church, as we seek to foster a culture of connectivity throughout the region. What we are witnessing as a result of this effort is partnership with the Holy Spirit, equipping of the saints, and activation of new faith and works. In anticipation of greater things ahead, we have been diligently working to strengthen our infrastructure by enhancing key areas, such as refining our strategies, training our team, and curating the tools needed to scale effectively. We are incredibly excited about the future, and we want to thank you for being a vital part of this journey.

Yours in Christ,
Executive Director
Ed Pichette

“God is rebuilding and renewing the efforts and ministries of the past that unified believers but didn’t continue. Praise God for what he is doing in our time!”

- Vision Dinner Attendee

Growing the Body Starts with People

Torch Bearers of Prayer

Everything starts with prayer. This year we established the Torch Bearers, an internal prayer team of Together and group of intercessors committed to praying for the Church in the region, the unity of the Church, and Together as a ministry.

Core Team

Through 2024, we significantly expanded Together's core team, positioning the ministry to take on new challenges and opportunities. As a result, we are able to more effectively serve the Church and make a greater impact in our shared communities.

Vision Gala

We held our first ever Vision Gala, where we shared a renewed vision for Christian unity in southern New England. We thanked our partners, invited more of our network to join in the mission, and began to increase our financial support to sustain the next season of growth.

PRAYER

Prayer Breakfasts

Our Regional Leaders' Prayer Breakfasts have had a profound impact on pastors and other ministry leaders, creating a space for spiritual renewal, fellowship, and mutual encouragement. These gatherings have allowed leaders to connect with one another, share their challenges, and find strength through prayer and support. The sense of unity and shared purpose fostered at these gatherings has not only refreshed leaders, but also empowered them to continue their vital work with renewed passion and focus.

Together We Pray

This regional initiative to foster united and continuous prayer through every day of the month is being reimaged in partnership with Revive New England to create greater connectivity among the groups. We are also in the process of compiling a regional directory of prayer meetings with additional features to help cultivate that connectivity.

Consecrate 2024

In response to God's call to be consecrated, we created a one-day conference that brought together nearly three dozen churches, all united in a shared desire to deepen their commitment to the Lord in anticipation of a regional move of God. The conference offered a rich mix of workshops, small and large group prayer, and inspiring teaching, all designed to encourage spiritual growth and personal consecration.

“There is a sacred initiation and birthing of a kingdom collaborative work. This work can serve as a city wide prototype for the cities of New England and beyond.

– New England Ministry Leader, Consecrate Attendee

RI House of Prayer

Consecrate was hosted at the building formerly known as Heritage Assembly, which in response to a shared vision for collaborative and ongoing prayer has now been dedicated as a Rhode Island House of Prayer. During the conference, we commissioned the building and prayed over the key leaders who are the primary carriers of this vision. The RIHOP building later became the main location for the 10 Days of Prayer.

10 Days of Prayer

In 2024, we served as the local liason for the global 10 Days of Prayer movement. From young adults to seasoned believers, hundreds of Christians prayed in unison across dozens of churches, interceding for a fresh move of the Holy Spirit in their hearts, homes, churches, and region. God has continued to ignite hearts with a deep sense of anticipation and a longing for His presence. Collective times of prayer like these not only foster unity across generations and denominations, but are also beginning to activate new things with ripple effects that extend beyond the events themselves, stirring fresh vision, bold faith, and greater desire to see the lost hear the good news of Jesus.

CARE

RI Soul Care

RI Soul Care is a ministry of Together led by a team of eleven women from seven different churches. It focuses on serving women by stewarding encounters with God and with other women, to see them and their families healed and made whole. Their first ever large gathering event united over 300 women from more than two dozen churches, and since then they've hosted retreats, workshops, and trainings, with more on the horizon.

“What the leaders have done for the women at RI Soul Care is magnificent... Bless you all for hearing and implementing what He has spoken and asked of you.”

– Event Participant

Caring Creations

This brand new ministry offers compassionate community and a sense of purpose and hope in Jesus Christ to all. Caring Creations serves individuals, families, and friends impacted by disability. Their story is a testament to the power of connectedness - beginning as a vision of the Rivera family, the Together network has been able to support the process, training, and development of the vision into becoming its own interdependent ministry.

SHARE

The Gathering

The Gathering is the youth branch of Together, created for students and led by students. Through prayer, fellowship, and evangelism initiatives, young people are growing in their faith and leadership. Training and guidance from experienced mentors in the network empower students to build each other up, challenge one another, and live boldly in their faith, rising up as the next generation of leaders of the church.

50 State Tour

The 50 State Tour is a national Gen Z-led effort to share the gospel with young people in every state and see them activated in their callings. The RI stop of the tour, coordinated by The Gathering team, drew together over 250 students from 32 churches across the region. Dozens of young people confessed faith in Jesus and took the bold step to be baptized. Faith was deepened and a growing hunger for Jesus among Gen Z was demonstrated, igniting a movement that will continue to spread far beyond that one night.

Looking Ahead

Malcolm Gladwell says a tipping point is the magic moment when an idea, trend, or social behavior crosses a threshold and spreads like wildfire. That is just what we feel the Church in this region is coming upon in this season.

As we look ahead to 2025, we are excited about several key projects that will seek to lean into the direction of the tipping point and help shape the future of ministry in the region:

Listening Tour

We want to engage deeply with local churches, leaders, and communities to hear their challenges, needs, and vision; so that we can build deeper relationships, better understand how we can best serve, and ensure that our efforts are aligned with what God is doing.

Collaborative Evangelism

Together was founded with the mission of advancing the gospel. In 2025 we will be reestablishing initiatives to equip and catalyze the Church to share this mission through cooperative service projects, innovative forms of outreach, and the straightforward proclamation of the Gospel.

Next Gen Internship Program

We will double down on equipping the next generation of leaders through hands-on ministry experience, mentorship, and leadership training to carry forth the Great Commission with the support of a united local Church - preparing workers for the Lord of the harvest for generations to come.

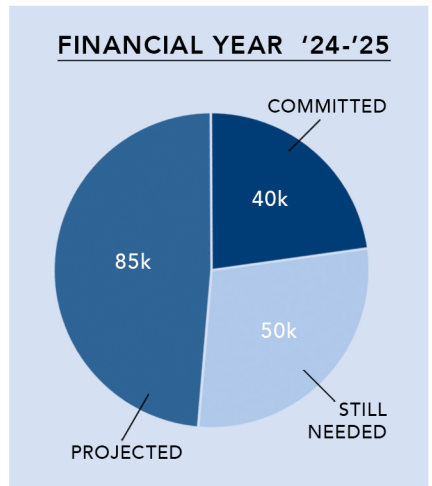

We are filled with gratitude for what God has already done, while also sensing the urgency of the “fullness of time” moment before us - a field beginning to come to fruition, but requiring action to reap the harvest. With this frame of mind we appeal to you with an invitation to join us in supporting these initiatives through both prayer and financial giving.

The vision ahead is vast, and we know that it will take the whole of the Church, united in purpose, to see it come to fruition. We ask for your prayers that God would guide every step of our planning and execution, and that His wisdom and provision would be evident at every turn. Prayer is the foundation of all that we do, and your intercession will play a vital role in the success of these projects.

We also invite you to consider financial partnership. As we expand our capacity and launch new initiatives, the financial resources needed to carry out these plans are significant. Your giving will directly impact the lives of individuals, the growth of Together, and the expansion of God's kingdom. Whether through a one-time gift or ongoing support, every contribution makes a difference.

Together, we can accomplish far more than we could alone, and we trust that God will provide abundantly as we step out in faith. Thank you for your consideration for both prayer and financial support!
